Leviticus Preaching Series

Be Holy for I Am Holy

Pastor Josh has been preaching through Leviticus for five weeks. So far the Spirit of God seems to be deeply touching many people in unexpected ways. One woman recently wrote a note to pastor Josh saying, "God bless you for the

Spirit filled sermon. A very powerful one. Whatever you are doing keep it up... it's producing great results... We give glory to God!" You can check out the series [here](#). If you want some background on Leviticus, you could start by reading [this](#) recent article on our church website.

Ongoing Work in Kenya

Planting a Church in Bondo

As many of you know, we have been laboring alongside Christ Commission Fellowship in Kenya for a number of years now. Recently have had the privilege of helping bring clean drinking water through the drilling of deep well in Bondo next to Pastor Julius Nyambuoro's new home. The hope is now to also have a church planted in that same region. To plant the church, Pastor Julius is planning a series of revivals meetings in June. We have managed to raise around \$1,100 towards the effort. Please keep this good work in your plans and prayers over the next couple of months. We have set a goal of \$2,500. If you would like to give towards this effort you can do that [here](#). Thank you in advance!

Soccer Camp

10th Anniversary Camp: Week of July 6-10, 2025

Many of you have participated in Red Door Church's free annual soccer camp before. This is our 10th year doing this amazing program! Every year families tell our volunteers that this camp was not only fun but life changing for their child. The kids

learn soccer skills and get a lot of exercise all while hearing the gospel message each day. I wanted to extend a friendly invitation to all of you to consider registering your kids or grandkids for our event again this year. You can register [here](#) or scan the QR code below. We hope to see you in a few months!
