### Is Everything Okay?

#### What's Going On With Red Door Church

Please read the note below from Pastor Josh.

"While many of you already know, we had a small fire in our church building several weeks ago that caused a fair amount of smoke damage throughout the building. We are grateful to God that someone was present to be able to extinguish the fire before more damage was done! However, the building is closed for now as we are in the process of having the building cleaned so that its safe for meetings again. In the meantime we are meeting at the Academy Building in Royalton.

Some folks have been asking about our livestream. Because of the circumstances, we are not able to livestream at the present time, however, we are recording the sermon each week and uploading it to [our YouTube Channel](#) shortly after the service each Sunday. You can catch up on livestreams that you may have missed there.

We are so sorry for the inconvenience this has caused so many but the Lord has allowed this for His purpose. We don't exactly know what that is but like everything else that God ordains, we know it is for our good (Rom. 8:28). That's our hope in the middle of this challenge."
